From the application it is not clear whether the arms required are intended for the Bara guard, if any, attached to the Inam or for the private servants of the Inam. If there is a Bara guard attached to the Inam and if the arms are required for their use it is necessary that the request for the renewal should be come thro the Chief Cond^r. If on the other hand they are intended to replace those in use with the Inam servants it is not known why the Inam cannot purchase the arms from the local firms dealing in arms & the license for importing the arms into Mysore if necessary being ~~after~~ obtained thro Govt from the Residency.

12) There are no references how are there any precedents in the Mily Section for the arms required by the Mutts being obtained by Govt. The references as to whether there is a Barn guard attached to the Mutt are also not traceable.

13) In these circumstances enquiry may perhaps be made of the Inspector Branch or the Chief Cand't whether there is a Barn guard attached to the Mutt. A draft to Chief Cand't is also put up.

It is clear that the arms in question are not for the Bara Guards that they are intended for the use of private Servants of the Mulk.

b) In the circumstances already noted at paras 11 & 12 it is a question for consideration & orders whether the arms asked for should be obtained thro' Govt agency.
